

## **ANOTHER TAKE ON LIGHT BULBS**

Q: How many actors does it take to change a light bulb?

A: None. Complain to the director at notes.

Q: How many directors does it take to change a light bulb?

A: None. Give a note to the stage manager to fix it!,br>

Q: How many stage managers does it take to change a light bulb?

A: None. Pull the technical director off of a set installation to deal with it.

Q: How many technical directors does it take to change a light bulb?

A: None. Call the master electrician at home to fix it.

Q: How many master electricians does it take to change a light bulb?

A: We don't change bulbs, only halogen lamps. It's a props problem.

Q: How many props masters does it take to change a light bulb?

A: Light bulb?! When did they even get a lamp?

Q: How many theatre critics does it take to screw in a lightbulb?

A: All of them - 1 to be highly critical of the design elements, 1 to express contempt for the glow of the lamp, 1 to lambast the interpretation of wattage used, 1 to critique the performance of the bulb itself, 1 to recall superb lightbulbs of past seasons and lament how this one fails to measure up, and all to join in the refrain reflecting on how they could build a better light bulb in their sleep.

Q: How many theatre students does it take to screw in a lightbulb?

A: Erm, what's the deadline, cos I may need an extension.

Q: How many audience members does it take to change a light bulb?

A: Three. One to do it, one child to cry and another to say, "ROSE, HE'S CHANGING THE LIGHT BULB."

Q: How many interns does it take to change a lightbulb?

A: It doesn't matter because you'll have to do it again anyway.

Q: How many directors does it take to change a lightbulb?

A: 3...no, make that 4...on second thought 3... well, better make it 5 just to be safe.

Q: How many assistant directors does it take to change a lightbulb?

A: One. But he/she has to check with the director first to make sure he wants the bulb there.

Q: How many producers does it take to change a lightbulb?

A: None. Why do we need another lightbulb?

Q: How many stage managers does it take to change a lightbulb?

A: I DON'T CARE!!! JUST DO IT!!!

Q: How many stage managers does it take to change a lightbulb?

A: None. Where's IATSE?

Q: How many stage managers does it take to change a lightbulb?

A: It's on my list...It's on my list...

Q: How many IATSE guys does it take to change a lightbulb?

A: One, once he puts down the donut and coffee.

Q: How many IATSE guys does it take to change a lightbulb?

A: Twenty-five and a minimum of four hours, you got a @!%#&@ problem with that?

Q: How many electricians does it take to change a lightbulb?

A: LAMP! It's called a LAMP you idiot!

Q: How many lighting designers does it take to change a lightbulb?

A: None. Where's my assistant?

Q: How many technicians does it take to screw in a lightbulb?

A: Two, if they can find a lamp big enough and figure out how to get inside it.

Q: How many actors does it take to change a lightbulb?

A: None. Doesn't the stage manager do that?

Q: How many actors does it take to change a lightbulb?

A: None. They can never find their light.
